Gentlemen:

Reference is made to your letter of 4 May 1959 submitting your final billing under Contract No. JH-4803 together with other data necessary to close the contract.

With reference to disposition of the two items of residual property, namely the S-Band Back-Scatter Measuring Apparatus and the UHF Admittance Bridge, your recommendation has been considered, however since the Project has possible future use for these items it is requested that they be delivered to our supply depot. These two items together with the 18-inch model and the replica are to be shipped to the following addressee via Railway Express:

25X1

In connection with Paragraph 4 of your letter regarding the "Final Patent Statement," it is requested that written disclosures on 1) The use of a negative impedance converter, and 2) The generation of a current sheet, be submitted to this office for patent consideration.

Very truly yours,

25X1
